

**EBB & FLOW** by Crossville  
**GLASS & STONE MOSAICS**

EBB & FLOW captures nature's rhythmical patterns. It blends the beauty of natural stone with clear and frosted glass to create a three-dimensional effect. It is perfect for both interior and exterior walls, with a smooth surface that is easy to clean and maintain. We are now stocking two sizes in six different color combinations from this series.

*EF05 Rocks & Minerals  
1/2 x 3 Stacked*

STOCK COLORS:

- EF02 Moon & Stars
- EF03 Flora & Fauna
- EF04 Sand & Surf
- EF05 Rocks & Minerals
- EF07 Sticks & Stones
- EF08 Dusk & Dawn

STOCK SIZES:

- 1/2 x 3 Stacked (mounted on 11-3/4 x 11-3/4 sheet)
- Linear Mixed Mosaic 1/2 x 2, 1/2 x 4, and 1/2 x 6 (mounted on 11-3/4 x 13 sheet)

We recommend setting these mosaics with Laticrete 254 Platinum Multipurpose Thin-Set Mortar (White) or the new Laticrete Glass Tile Adhesive. For wall applications exposed to regular moisture (such as shower walls), the application of a penetrating sealer, such as Miracle Sealants 511 Impregnator, is required. This material is not recommended in submerged water applications such as pools, fountains, or spas.

## Care and Maintenance

Regular cleaning is the best way to keep Origins Glass™ tile looking good for years to come. Use clean, hot water (combined with a nonabrasive household cleaner for more aggressive cleaning). Rinse thoroughly and dry with a soft cloth to prevent water spots. No waxes or sealers are needed. More information regarding the care and maintenance of Crossville® products is available at [CrossvilleInc.com](http://CrossvilleInc.com).

## Wet Area Use

Origins Glass™ tiles can be used in water applications such as pool liners, fountains, and spas.

## Recommended Use

Origins Glass™ tile can be used for interior walls and covered exterior wall applications. Origins Glass is not recommended for exterior horizontal surfaces or exterior paving.

## Shade & Texture Index

Origins Glass™ has a shade variation of V3.

Due to the nature of our glass tile, there will be a certain amount of variation in color, shade, tone, texture, and size. Frequently you may notice bubbles, wrinkles and folds in the glass. These are consistent with a cast glass product. Please open and inspect each box of glass tile upon delivery. Buyer is responsible for both inspection and acceptance of the material prior to installation.

As part of Crossville's glass tile program, with every purchase of Origins Glass mosaics, Crossville contributes to Common Thread for the Cure. This program offers care and support to families affected by breast cancer.

**Series:** Sideview Glass

Glass

Wall Application

### Description:

Sideview Glass is a collection of multi-beveled glass tile that sparkles with unabashed opulence. A decidedly modern take on art deco's daring style. Sideview's look is well suited for a Manhattan hotel lobby as it is a posh powder room in a private home. It's the ultimate accessory for any space needing a dash of glam.

This get-noticed line comes in four metallic colors- tungsten, silver, gold and copper, available in both polished and matte finishes. Go for full-scale sophistication with Sideview's mesh mounted 3 x 3 tiles or get a hint of glitz with accent mosaics or liner options. The lavish beveling adds dazzling dimension to each color and size.

Sideview is recommended for interior walls or covered exterior wall applications in commercial and residential settings - anywhere your design needs a touch of shimmer or shine.
